10 Secret Tips To Get Discount On Every Truck Stop

1. Check online truck stops to see which one has a promotion
2. Apply for a truck stop loyalty card
3. Ask for membership free perks every time you buy fuel
4. Collect coupons and save money
5. Negotiate the free perks. Ask for free truck wash or shower.
6. Always ask for services not products. Truck stops are likely willing to give you free services.
7. Try purchasing more fuel to get better free perks.
8. Ask for referral program. If you refer drivers from your company you can get huge discounts.
9. Become contributor on their social media in exchange for free perks.
10. Ask for the best possible offer they can give you and pretend that you have amazing offer from other truck stops.
