## 10 Secret Advises For Successful Moving

1. Be sure that your mover is registered with FMCSA. Hiring insured, licensed and reputable moving company is your No.1 Priority
2. Make a Plan and get organized early to make sure that everything will run smoothly on the moving day
3. Avoid weekends and holidays to avoid unnecessary expenses
4. Get your packing materials and first box up the items that you won't need until the moving process is over
5. Hire a sitter if you have kids or pets to protect them from the dangerous equipment and the heavy boxes around
6. Do not over-pack the boxes to make sure that they won't tear up on the way out
7. Use color markers and stickers to clearly Label the boxes with detail description of the contents inside
8. Load boxes from the same rooms together
9. Take Inventory to have record if something goes missing
10. Use packing paper, bubble wrap or towels to wrap and protect your fragile items (dishes, glasses, etc.)
