## 10 Secret Tips To Get Discount On Monster Truck Show Event Tickets

1. Buy Them On Pre Sale. Usually this is the time that you will get better pricing options.
2. Become a member of the event organizer. They have membership options and this can land you a discount of up to 40% per ticket.
3. This is risky! Wait until the ticket sale ends and if there is any tickets left they will give them to you for just half the price.
4. Buy directly from Box office to avoid any service fees or partner fees.
5. Buy second hand - there is a lot of people that bought tickets but something came up and now they can't go to the event anymore.
6. Check Craigslist - you would be surprised how many people are selling their tickets there.
7. You can also always buy child ticket online and enter as an adult. But this is not something we recommend.
8. Your credit card company might be offering 2 for 1 deals for tickets. Check what they can offer - you would be also surprised.
9. Try getting free tickets by offering free services to event. Maybe you can distribute posters for them through city and get free tickets.
